 Edison Co. areas—could be developed with baseball and football fields, archery ranges, picnic areas, and grass tennis courts.  
 A field house, concrete tennis courts, and other permanent facilities could be constructed on city-owned sections, Van Bellehem said.  
 State funds would come from the 1964 State Recreational Facilities Bond Issue and would represent an outright grant, Van Bellehem told the Press-Herald.

 zones under a conditional use permit.  
 • Adopted resolutions urging the approval of Assembly Bills 806 and 877, both of which would permit local governments to adopt laws in fields already occupied by the State Legislature.  
 • Rejected a request by the Torrance Board of Education that the city pay the costs for a sprinkler system at the new Sam Levy School. Councilmen, however, said they would consider the request as part of the 1967-68 capital improvements budget.  
 • Voted to amend the off-street parking ordinance to require automobile agencies—both new and used—to provide parking for employees and customers at the rate of one space for each 2,000 square feet of building and display area, plus one space for each two employees. The new provision is less restrictive than earlier requirements.

**Accountants Plan**  
 "Obtaining, Selecting, and Motivating People" will be the topic of guest speakers Loun P. Robinson and Melvin D. Croner, management consultants, at the monthly technical session of the Palos Verdes-Torrance Chapter of the National Association of Accountants. The May 23 meeting will be held at the Indian Village Restaurant. Dinner will begin at 7 p.m.

 18 election has indicated he may file a law suit to force a special election to fill the vacancy.  
 John Kirby, who finished in third place some 4,500 votes behind Dr. Shery in the balloting, told trustees he feels there is some question that Dr. Shery actually had been elected because of his illness.  
**KIRBY SAID** he was contemplating legal action for a special election.  
 Dr. Hull noted that Dr. Shery had submitted his statement of campaign expenses and had received a certificate of election. Under the law, Dr. Hull said, the certificate is all that is required to confirm election.

**Realty Board Gets Behind A Campaign Against Crime**  
 A campaign to use light as a weapon against crime has been launched here by the Torrance-Lomita Board of Realtors.  
 Announced this week by President Marvin Donker, the program is called "Light the Night," and is centered on an appeal to light homes, apartment and office buildings well at night as a means of discouraging crime.  
 "Homeowners are advised to keep lights on both in front and rear of their properties all night to deter prowlers," Donker said.  
 "Apartment owners and managers should light entry ways, parking areas, and hallways all night," he added.  
 The Realty Board's campaign has been endorsed by Mayor Albert Isen, the president said.
